Mr. Charlie Dirks  
Executive Counsel, Department of Children and Family Services  
PO Box 1887  
Baton Rouge, LA 70821

Dear Mr. Dirks:

On October 10, 2012 I sent letters to Rep. Lamar Smith, Chairman of the House Committee on the Judiciary, and Rep. Fred Upton, Chairman of the House Committee on Energy and Commerce, asking for a Congressional investigation into the reported fraudulent medical reporting practices by the abortionists in this country. In December, 2012 I sent letters to Louisiana's Secretary of the Department of Health and Hospitals, Bruce Greenstein, concerning accusations brought against the abortionists in Louisiana by a group of concerned citizens.

If these allegations are found correct and reveal egregious medical malpractice and cover up of child molestation, Congress must investigate the magnitude of these violations and take appropriate action.

Richard Mahoney has requested I send a letter to you requesting information on reports by abortion clinics to the Department of Children and Family Services (DCFS). He is concerned that reporting practices by the abortion clinics and the handling of the reports is not timely, accurate or sufficient.

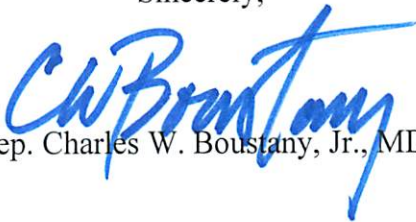

Rep. Boustany would like the following information by April 19, 2013:

- The number of reports or calls made by any or all abortion providers in Louisiana to DCFS concerning child molestation, sexual assault, statutory rape or rape in the past ten years.
- A report on the documentation and/or reporting practices of the above stated crimes by Louisiana abortion providers since 1973, including the understanding

of DCFS as to what, if any policies and procedures abortion clinics must follow to detect such criminal misconduct against minors.

If you have any questions, please contact Jeff Dobrozsi at 202-225-2031.

Sincerely,

Rep. Charles W. Boustany, Jr., MD
